Best buy supermarket

book	Posters	Bag
£2.25p	£3.40p	£7.95p

Alfie has £23.80 to spend at the super market. He has found 3 items with his favourite game character. He would like to buy a book and a bag. How many posters could he buy with his change?

Show your working out

Alfie decided that he wanted to buy his brother and himself a bag. How much will 2 bags, a book and a poster cost ?
