# Line graphs

## Reading line graph and gathering information

Name _____

Date _____

### Graph to show amount of litter picked on a beach clean

PIECES OF LITTER COLLECTED
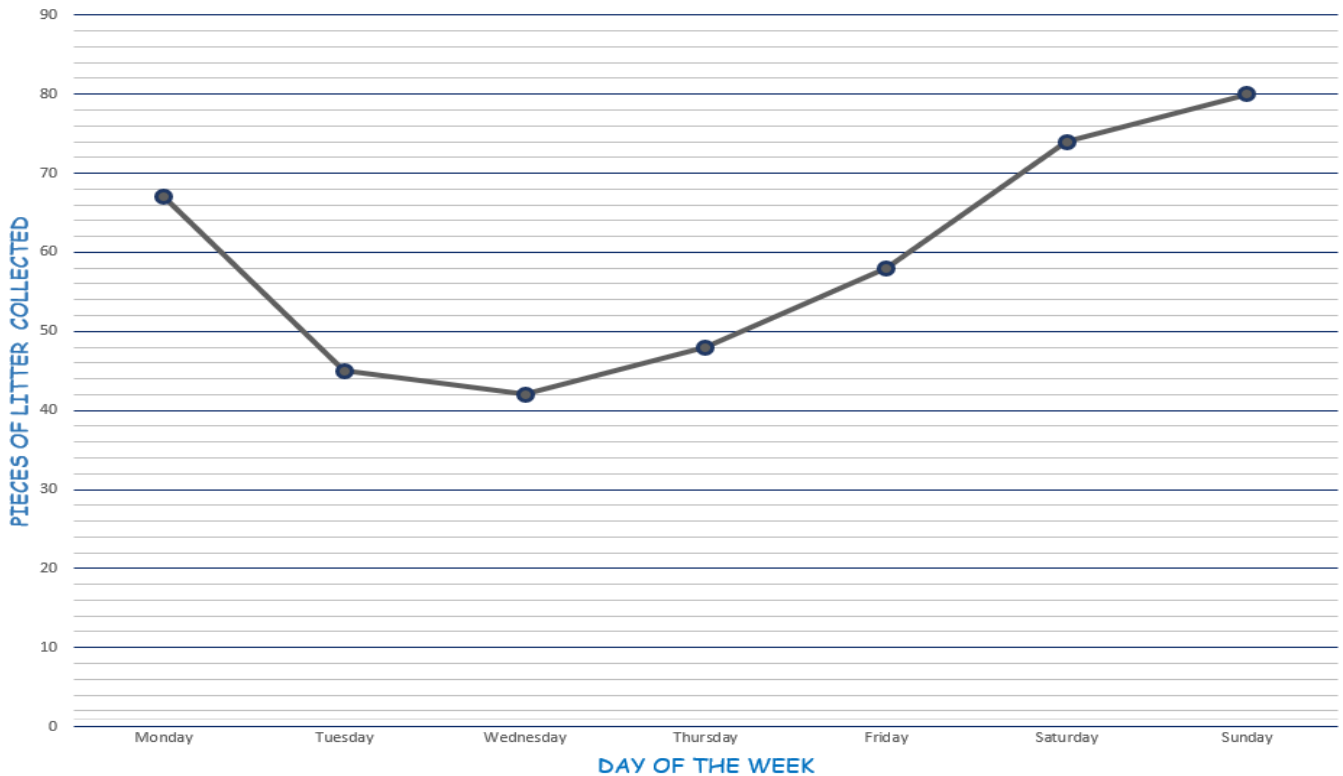

DAY OF THE WEEK

1. Complete the table below

### Day of the week

| | Monday | Tuesday | Wednesday | Thursday | Friday | Saturday | Sunday |
|---|---|---|---|---|---|---|---|
| Pieces of litter collect | | | | | | | |

2. Which day had the highest amount of litter on the beach?

3. How many pieces of litter were collected on Friday, Saturday and Sunday?

4. What was the average number for pieces of litter collected?

**Remember** to work out the average .Add all the days together (total sum). Then divide the total by number of days (divide by number, of numbers)
