

Line graphs

Name _____

Date _____

Reading line graph and gathering information

Graph to show amount of litter picked on a beach clean

1. Complete the table below

Day of the week

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
Pieces of litter collect	67	45	42			74	

2. Which day had the smallest amount of litter on the beach?

3. What was the total amount of litter collected on Thursday and Saturday?

4. Find the median for the amount of Litter collected on the beach

Remember to find the median you will need to order the numbers low to high and then find the middle number

Example

~~1, 3, 7, 10, 12, 18, 45,~~

10 is the median
